James Arthur, Sleepwalking

You brought the sun
And I brought the moonlight
We were two souls in a world set to collide

You brought the wine
And I brought the flowers
We'd disappear in haze on a summer night

I'll wait, I'll wait
I'm trying to matter
In someone else's eyes
Always, always
Nothing could matter
As much as you and I

I'm sleepwalking
I dream of you sometimes
We're not talking
But do I ever cross your mind
I don't wanna let you go
But I know, I know
Since we lost it
I'm sleepwalking

You brought me calm
I brought you thunder
You stopped the panic
When I got lost in a storm

Now I feel the waves crashing
Over me
It's so hard to breath
I just need you here
So I medicate
Just to numb the pain
Just to see you there's no other way

I'm sleepwalking
I dream of you sometimes
We're not talking
But do I ever cross your mind
I don't wanna let you go
But I know, I know
Since we lost it
I'm sleepwalking
I'm sleepwalking

I'll wait, I'll wait
I'm trying to matter in someone else's eyes
Always, always
Nothing could matter as much as you and I

I'm sleepwalking
I dream of you sometimes
We're not talking
But do I ever cross your mind
I don't wanna let you go
But I know, I know
Since we lost it
I'm sleepwalking
Since we lost it
I'm sleepwalking
