James Bay, Bad

i know it hurts that we don;t touch anymore
it's even worse because we built this from the floor
it's just as hard for me to know I might see you rund
it's just as hard for me to worry about reaching out

the more I think about you
the more I keep the ghost alive
yeah, the more I think about you
the more I keep the ghost alive

I want you bad, but it's done
I;m bleeding out
cause we can't go on
I want you bad, till I shake it
I want what we had
but what's broken don't unbreak

just when I'm ready to get over you
you call me up
and ten I cumble when you sat, you're getting over us

but the more I think about you
the more I keep the ghost alive
yeah, the more I think about you
the more I keep the ghost alive

I want you bad, but it's done
I'm bleeding out
cause we can't go on
I want you bad, till I shake it
I want what we had
but what's broken don't unbreak

and I won't tell you what I want to
I want to
what I want to
I'm falling through
I can't hide it
but I learn to

I want you bad, but it's done
I'm bleeding out
cause we can't go on
I want you bad, till I shake it
I want what we had
but what's broken don't unbreak
