

James Bay, Chew On My Heart

Take your time
i'll right here
I know, no one could ever love me better
Take all night
Your're the truth that is breaking me
And keeping me
together, together

I wanna be your touch
sleeping's so tough
You're burning up my mind
What would it feel like
If you tore me apart
Come on
Chew On My Heart
Come on
Chew On My Heart
I wanna be your touch
sleeping's so tough
You're burning up my mind
What would it feel like
If you tore me apart
Come on
Chew On My Heart
Come on
Chew On My Heart

I am on fire
I am heartless
I am thinking things I might start regretting
So hear me out
I need you now
I am spiralling
I am skinkig down
Wait for me
I am sending up a message
A message

I wanna be your touch
sleeping's so tough
You're burning up my mind
What would it feel like
If you tore me apart
Come on
Chew On My Heart
Come on
Chew On My Heart
I wanna be your touch
sleeping's so tough
You're burning up my mind
What would it feel like
If you tore me apart
Come on
Chew On My Heart
Come on
Chew On My Heart
