

James Blunt, Heart To Heart

There are times when I don't know where I stand
You make me feel like I'm a boy and not a man,
There are times when you don't give me your smile,
I lie awake at night and worry for a while..

It's okay 'cause I know, you shine even on a rainy day,
I can find your halo, guides me to wherever you fall
If you need a hand to hold, I'll come running because
You and I won't part till we die
You should know we see eye to eye, heart to heart..

There are times when I cry 'cause you shed no tears
Your mind's so far away but your body's right here,
There are times when I've just walked out your door
and thought I'd never get to see you anymore..

It's okay 'cause I know, you shine even on a rainy day,
And I can find your halo, guides me to wherever you fall
If you need a hand to hold, I'll come running because
You and I won't part till we die
You should know we see eye to eye, heart to heart..

Ooh Sometimes

Wherever you fall.
If you need a hand to hold, I'll come running because
You and I won't part till we die
You should know we see eye to eye, heart to heart..

I can find your halo, guides me to wherever you fall
