

James Blunt, If There's Any Justice

If there's any justice in the world
I would be your man
You would be my girl

If I'd found you first you know it's true
He would be alone
I would be with you
When you decide
Don't let me down
Cos there's nothing to be certain in my life
And you've seen a thousand times
There's not much justice in the world

If there's any justice in your heart
Your love really changed
Ease it in too hard

Why don't you remember how it feels
Not to give a damn for anyone but me

I can't believe you'd be deceived
Changing memories from truth to fantasy
When there's nothing left but tears
There's not much justice in the world

Just because he's wrapped around your finger
Don't fool yourself with dreams that might appear
Everytime you'll stop and trust your feelings
The truth is out there somewhere
It's just blowing in the wind

If there's any justice in the world
I would be your man
You would be my girl

And if I found you first you know it's true
He would be alone, I would be with you

When you decide - don't let me down
Cos there's nothing to be certain in my life
And you've seen a thousand times
There's not much justice in the world.

If I should lose you girl you know
That there's not much justice in the world
