James Blunt, Young Folks

If I told you things I did before
Told you how I used to be
Would you go along with someone like me
If you knew my story word for word
Had all of my history
Would you go along with someone like me

I did before and had my share
It didn't lead nowhere
I would go along with someone like you
It doesn't matter what you did
Who you were hanging with
We could stick around and see this night through

And we don't care about the young folks Talkin' 'bout the young style And we don't care about the old folks Talkin' 'bout the old style too And we don't care about their own faults Talkin' 'bout our own style All we care 'bout is talking Talking only me and you

Usually when things has gone this far People tend to disappear No one will surprise me unless you do

I can tell there's something goin' on Hours seems to disappear Everyone is leaving I'm still with you

It doesn't matter what we do Where we are going too We can stick around and see this night through

And we don't care about the young folks Talkin' 'bout the young style And we don't care about the old folks Talkin' 'bout the old style too And we don't care about their own faults Talkin' 'bout our own style All we care 'bout is talking Talking only me and you

And we don't care about the young folks Talkin' 'bout the young style And we don't care about the old folks Talkin' 'bout the old style too And we don't care about their own faults Talkin' 'bout our own style All we care 'bout is talking Talking only me and you Talking only me and you

Talking only me and you Talking only me and you
