

# James Brown, It A Man's Man's Man's World

This is a man's world  
This is a man's world  
But it would be nothing  
Nothing without a woman or a girl

You see man made the cars  
To take us over the road  
Man made the train  
To carry the heavy load  
Man made the electric lights  
To take us out of the dark  
Man made the boat for the water  
Like Noah made the ark  
This is a man's man's, man's world  
But it would be nothing  
Nothing without a woman or a girl

Man thinks of our little baby girls And the baby boys  
Man make them happy 'Cause man makes them toys  
And after man make everything, everything he can  
You know that man makes money to buy from other man  
This is a man's world  
But it would be nothing, nothing  
Not one little thing  
Without a woman or a girl

He's lost in the wilderness  
He's lost in the bitterness  
He's lost, lost and .....
