James, Crash

A diva, a leaver, a lawyer, imagine, imagine A fever, a vision, derision, imagine, imagine Someone got hurt

Someone got high

Someone got left behind the lies

Someone got hurt someone got high

Some of them left the rest behind

All of your mail is unaddressed

Cut the Herman free from the Hesse

Crash, Crash, Crash,

Crash, Crash, Crash,

A letter, a photo, etcetera, etcetera, a Judas

A hotel, a motel, a motive, imagine, imagine

Someone got hurt

Someone got high

Someone got left behind the lies

Someone got hurt

someone got high Some of them left the rest behind

All of your mail is unaddressed

ut the Herman free from the Hesse

Crash, Crash, Crash,

Crash, Crash, Crash,

This is hell

This is hell

Crash, Crash, Crash,

Crash, Crash, Crash
