

James Iha, My Advice

Another day that passes
just seems like I lack
And we had months and days
Can we talk; is it okay?
and we're still on top
of this world we made
And if we're still on top
why do you stare that way?

And now I understand
how every part of a man dies
And there's just one thing left
and that's a heart that needs mending
And we're still on top
of this world we made
And if we're still on top
and if you stay away

My advice
to you
is stay with me
and I'm telling you
My advice
yes, my advice
is to stay with me for a little while
And talk with me
Can we reconcile?
And stay with me
Tonight

My advice
to you
is to stay with me
Now I'm telling you
My advice
would you never listen to
is to stay with me for a little while
And talk with me
if I'm in denial
And stay with me
Tonight, tonight
