

James Ingram, She Loves Me

My love she makes no demands
She waits for me with open hands
She understands
My love gives me all I need
She understands the fears in me
And when I'm down
You know she cries her tears for me
'Cause she loves me
Don't know what she sees in me
She loves me
I'll follow where she leads
She makes me
The best that I can be
She loves September by the sea
Candle light and cold Chablis
Those little things never meant that
much to me
'Cause she loves me
Don't know what she sees in me
She loves me
I'll follow where she leads
She makes me
The best that I can be
I was a lonely man
I never, never understood
I never realized that it could be so good
'Cause she loves me
Don't know what she sees in me
She loves me
I'll follow where she leads
She makes me
The best that I can be
