

James Ingram, The Day I Fall In Love

Just an ordinary day
Started out the same old way
Then I looked into your eyes and knew
Today would be a first for me
The day I fall in love

On the day I fall in love
Sky will be a perfect blue
And I'll give my heart forever more
To someone who is just like you
The day I fall in love

People all say love is wonderful
That the bells will ring
The birds will sing
The skies will open
I wonder where's that great big symphony
Roll over Beethoven
Won't you play with me

And I'll never promise to be true to anyone
Unless it's you
Unless it's you
The day I fall in love

Just an ordinary day
Started out the same old way
Then I looked into your eyes and knew
Today will be a first for me
A first for me
The day I fall in love
I know you'll be there
Ooh....I know...
The day I fall in love
