

James Ingram, Where Did My Heart Go?

Where did my heart go
When did it lose the way
How did I let you slip away
Why is it so hard to say
(The) words that might touch you
Make you believe that I'm
More than it seems that I am today

I can run
But I can't hide
From all these dreams
That I keep inside
Now, it's gonna to take a while
But I've got to learn to smile again

Once it was easy
I never had to try
I never had to tell a lie
Never thought I'd see you cry
But now I know better
(And) I've got to find a way
I don't wanna hear you say goodbye

I can run
But I can't hide
From all these dreams
That I keep inside
Now, it's gonna to take a while
But I've got to learn to smile again

I've got to find the smile
That fills your heart with laughter
Don't wanna find a way
To get along after you
I wanna be the man, that you knew

Now it's gonna take a while
But I've gotta learn to smile again
Again
