

# James Kakande, You You You

I pray the lord your eyes  
then keep me in vision throughout  
all my blind times, yeah  
and the sadness decides to be  
my best friend once again  
and just stay close to me, yeah  
you you you  
you got so much lovin'  
you've gotta whole lot of soul  
more than in rainbow  
you you you  
you got so much lovin'  
you've gotta whole lot of soul  
more than in rainbow  
I'd like to be in a place  
where the birds fly so high  
and I can look down  
and see a lil' bit of  
all of you  
all of me  
singin' up you'all, singin'  
I pray the lord your eyes  
then keep me in, in vision you how  
all my blind times, yeah and  
and the sadness decides  
to decides to be  
my best friend  
once again  
my only best friend  
just stay closer  
you you you  
you got so much lovin'  
you've gotta whole lot of soul  
more than in rainbow  
and you you you  
you've got so much lovin'  
you've gotta whole lot of soul  
more than in rainbow  
I've seen it in black yeah  
i've seen it in white  
i've seen it in you  
oh what a sky  
i've felt it in here  
i've touched it in you  
it's a fearless harmony for  
all in you  
you you you  
you got so much lovin'  
you've gotta whole lot of soul  
more than in rainbow  
you you you  
you've got so much lovin'  
you've gotta whole lot of soul  
more than in rainbow  
you you you  
you've got so much lovin'  
you've gotta whole lot of soul  
more than in rainbow...
