

# James McMurtry, Freeway View

I got a room with a freeway view  
I'm only home at night  
I ain't ever coming back to you  
Or then again I might  
Or then again I might get lonely  
Or then again I might not know my mind

I got a job on a survey crew  
Pays enough for me  
I ain't ever coming back to you  
Or then again  
Or then again we'll see  
This time it might just take  
This time I just might make it free

(CHORUS)  
Can't I keep my hands off you  
Can't I keep my hands off you  
Can't I keep my hands off you

I got a room with a freeway view  
I'm hardly ever home  
I ain't ever coming back to you  
I'm better off alone  
I'd rather keep my frozen heart  
I love you but I've chosen darkness

(Chorus x1)
