

# James Morrison, Get To You

So close to midnight  
Under the streetlights  
Leaving behind what I don't need

I've walked like a blind man  
and my eyes are open  
And You are the only place for me

Won't you hold on just for a while  
Please don't give up on me tonight

Coz I'm on my way  
I chased the day  
Yeah I'll keep running all night

I just won't rest to catch my breath  
I will run every red light

To get to you  
No I will get to you  
No I will get to you

I'll chase past the tail lights  
Head for the skyline  
Hoping that, that won't change your faith

I see them appearing  
The cracks in the pavement  
Running I pray I'm not too late

Won't you hold just for a while  
Please  
Please don't give up on me tonight

Coz I'm on my way  
I'll chase the day  
Yeah I'll keep running all night

I just won't rest to catch my breath  
I will run every red light

To get to you  
No I will get to you  
No I will get to you  
I will

I'll get to you  
Just hold on a little longer  
I'll get to you  
Oh just don't give up on me  
I will get to  
I will get to  
I will get to you

Coz I'm on my way  
I chased the day  
Yeah I'll keep running all night

Just won't rest to catch my breath  
I will run every red light

To get to you  
No I will get to you  
No I will get to you

I will

I will get to

I will get to

I will get to you
