

James, Nothing But Love

Nothing But Love
Gives the love true meaning
Nothing But Love
Is a drag of healing
Love could be soft
Love could be bold
Earthquake
Avalanche
Volcano

Nothing But Love
I've got Nothing But Love

Nothing But Love
Stops the mind ... grinding
Nothing But Love
Flash ... from hiding
Keep ...
No one can hide
Earthquake
Avalanche
And Goodbye

Nothing But Love
To the all hiding
(Say goodbye)
Nothing But Love
Can be a wild drinking
(Say goodbye)
Into the ..
Deal with the lost
Earthquake
Avalanche
Volcano

Fall out
There's no end
There's only dances
Fall out
Love me now
I'll pay the price!
