

James, Oh Sit Down

I sing myself to sleep
A song from the darkest hour
Secrets I can't keep
Inside of the day
Swing from high to the
Extremes of sweet and sour
Hope that God exists
I hope I pray
Drawn by the undertow
My life is out of control
I believe this wave will bear my weight
So let it go
Oh sit down
Oh sit down
Oh sit down
Sit down next to me
Sit down, down, down, down, down
In sympathy
Now I'm relieved to hear
That you've been to some far out places
It's hard to carry on
When you feel all alone
The wisdom that I seek
Has been found in the strangest spaces
Feels a lot like love
That I feel for you
Now I've swung back down again
It's worse than it was before
If I hadn't seen such riches
I could live with being poor
Oh sit down
Oh sit down
Oh sit down
Sit down next to me
Sit down, down, down, down, down
In sympathy
Those who feel the breath of sadness
Sit down next to me
Those who find they're touched by madness
Sit down next to me
Those who find themselves ridiculous
Sit down next to me
In love, in fear, in hate, in tears
In love, in fear, in hate, in tears
In love, in fear, in hate, in tears
In love, in fear, in hate
Oh sit down
Oh sit down
Oh sit down
Sit down next to me
Sit down, down, down, down
In sympathy
Sit down
Sit down (x4)
Sit down
Sit down next to me
