

James Reyne, Hammerhead

Be my ritual
Be my one desire
Be my light be my pure delight
Be my purifier
You'll never know what you do to me
Five times a day
My self distruction you'll over see
Don't go don't go away

Just a touch of you
Just a taste
Like kissing God is what we do
Let's go to waste
You'll never know what you do to me
So sublime
You're like the Devil in Heaven
Every everytime

Chorus ~
You've been hanging with the nicest people
Hammerhead
Some silken slip of evil
Hammerhead

Take food from my mouth
Take my sex
Take my friends take my lovers
Here take this
You'll never know what you do to me
Maybe I'm wrong
Let's take this journey together
Please come please come along
Please come please come along

Chorus

oohh ooooohhhhh.....
