James Rick, Mary Jane

inhale
Come here, baby. Mary I love you. Do it girl.
Female chorus: Mary Jane, Mary Jane
I'm in love with Mary Jane.
She's my main thing.
She makes me feel alright.
She makes my heart sing.

Rick's chorus:
And when I'm feeling low,
She comes as no surprise.
Turns me on with her love.
Takes me to paradise.
Do you love me Mary Jane?
Yeah. Whoa-oh-oh.
Do ya? Do ya? Do ya?
Now do you think you love me Mary Jane.
Don't you play no games.

Female chorus.
I love her just the same.
I love her, Mary baby, just the same.
The woman plays no games.
Now, now, now.
I'm in love with Mary Jane.

I'm not the only one.
If Mary wanna play around,
I let her have her fun.
She's not the kind of girl
that you can just tie down.
She likes to spread her love
and turn your head around.

Rick's chorus.

Female chorus.

Rick's chorus.

Something until we give it now, lovey-dove.
Uh-huh. Wow, baby!
Sing! La-du-da-da-du-da-dahh.
Sing! La-du-da-da-du-da-dahh.
Sing it for me baby.
Come Mary, Mary Jane.
