

# James, Still Alive

Lost my house, lost my love  
Swept away in a raging flood  
I... I'm still alive

I believe God is testing me,  
But I can't take what the Lord decrees  
I... I'm still alive

On a Monday life was swell,  
By Wednesday I'm in Hell  
But I'm still alive

Bankers came to move me on  
So strapped for cash, I had to sell this song  
I... I'm still alive

Doctor told me I've a terrible disease  
The dog's run off and the cat's got fleas  
I... I'm still alive

On a Monday life was swell  
By Wednesday I'm in Hell  
But I'm still alive

By the Thursday life was sad  
By Good Friday life's too bad  
But I'm still alive

Out the window, four vultures on a tree  
Licking their beaks and they're talking about me  
I... I'm still alive
