

James Taylor, Circle Round The Sun

Now, I love my baby, and she's bound to love me some.
Yes, I love my baby, and she's bound to love me some.
Now, she throws her arms around me just like a circle around the sun, yeah yeah.

I lay down last night just to try to take my rest.
I said I lay down last night, Lord, I was trying to take my rest.
But my thoughts they just kept wandering just like them wild geese in the west, babe.

Now I know that sunrise, sunrise, it's gonna shine in my back yard someday.
I said I know that sunrise, sunrise, sunrise, it's gonna shine in my back yard someday.
And that wind's just bound to rise up, gonna blow, blow all my blues away, hey, hey, hey,

I love my baby and she's bound to love me some.
Hear me say that I love my baby, and she's bound to love me some.
Now, she throws her arms around me just like a circle around the sun.
