

James Taylor, It's Growing

Like a snow ball rolling down the side of a snow covered hill

(it's growin')

Like the size of the fish that the man claims broke his reel

(it's growin')

Like the rose bud blooming in the warmth of the summer sun, ah babe

(it's growin')

Like the tale by the time its been told by more then once

(it's growin')

Every day it grows a little more

Than it was the day before

My love for you just grows and grows

Ooooh how it grows and grows

And where it gonna stop

I'm sure that nobody knows

(hey,hey,hey)

Nobody knows

Oooo

Like the need in a guy to see his girl when she's gone away

(its growin')

Like the sadness in his little heart when he knows that she's gone to stay, yeah yeah

(it's growin')

Every day it grows a little more then it was the day before

My love for you just grows and grows

Ooooh how it grows and grows

And where it's going to stop

I'm sure that nobody knows

(hey,hey,hey nobody knows)

Nobody knows

(hey,hey,hey nobody knows)

It's growin' now

My love for you just grows and grows

Ooooh how it grows and grows

And where it gonna stop

I'm sure nobody knows

(hey,hey,hey)

Nobody knows

How it grows and it grows, yeah yeah

(hey,hey,hey nobody knows)

Nobody knows

And hey, hey, hey

(hey,hey,hey)

Nobody knows

(nobody knows)

Oh baby, it's growin'

Say hey, hey, hey

(hey,hey,hey)

Nobody knows

(nobody knows)

How it grows and grows

(hey,hey,hey)

Walkin' on baby

(hey,hey,hey)

Talkin' to ya baby

(nobody knows)

Every day

It's growin'

Hey, hey, hey

(hey,hey,hey)

Nobody knows

(nobody knows)

It grows and grows
Hey, hey, hey
(hey,hey,hey)
Nobody knows
(nobody knows)
It grows and grows (fade out)
