

# James Young, Runnin' Out Of Time

Help me, won't you help me deal with the madness they're putting me through  
Help me, help me deal with the minds of the people I just can't relate to  
I guess you might say I've seen the light cause I don't care what they think  
I've got a brand new lease on life won't you help me find a better place to get  
We're ...

Running out of time  
You & me  
Such a narrow mind  
Can't they see  
Leave it all behind  
Come with me  
We're running out of time

Tell me, won't you tell me what is the reason they do this to me  
Give me, won't you please give me a clue that can help me see  
What's going on in their little minds and what makes them say those dumb things  
You know they scare me most every time so come on let's get the hell out of here We're ...

Running out of time...

Save me, save me  
Take me to the promised land  
Save me, save me, save me
