

# Jamie Cullum, One For My Baby(And One More For The Road)

It's quarter to three,  
There's no one in the place 'cept you and me  
So set 'em' up Joe  
I got a little story you wanna know

We're drinking my friend, to the end  
Of a brief episode  
Make it one for my baby  
And one more for the road

I've got the routine  
So drop another nickel in the machine  
I'm feeling kind of bad  
Wish you make the music easy and sad

I could tell you a lot, but you've  
Got to be true to your code  
So make it one for my baby  
And one more for the road

You'd never know it  
But buddy I'm a kind of poet  
And I've got a lot of things I'd like to say  
But when i'm gloomy, you simply got to listen to me  
Untill it's talked away

Well, that's how it goes  
And Joe I know you're gettin' anxious to close  
So thanks for the cheer  
I hope you didn't mind  
My bending your ear

This torch that I found  
It's gotta be drowned  
Or it soon might explode  
Make it one for my baby  
And one more for the road

That long, long road!!
