

# Jamie Lawson, Wasn't Expecting That

It was only a smile  
But my heart it went wild  
I wasn't expecting that  
Just a delicate kiss  
Anyone could've missed  
I wasn't expecting that

Did I misread the sign?  
Your hand slipped into mine  
I wasn't expecting that  
You spent the night in my bed  
You woke up and you said  
"Well, I wasn't expecting that!"

I thought love wasn't meant to last  
I thought you were just passing through  
If I ever get the nerve to ask  
What did I get right to deserve somebody like you?  
I wasn't expecting that

It was only a word  
It was almost misheard  
I wasn't expecting that  
But it came without fear  
A month turned into a year  
I wasn't expecting that

I thought love wasn't meant to last  
Honey, I thought you were just passing through  
If I ever get the nerve to ask  
What did I get right to deserve somebody like you?  
I wasn't expecting that

Oh and isn't it strange  
How a life can be changed  
In the flicker of the sweetest smile  
We were married in spring  
You know I wouldn't change a thing  
Without that innocent kiss  
What a life I'd have missed

If you'd not took a chance  
On a little romance  
When I wasn't expecting that  
Time doesn't take long  
Three kids up and gone  
I wasn't expecting that

When the nurses they came  
Said, "It's come back again"  
I wasn't expecting that  
Then you closed your eyes  
You took my heart by surprise  
I wasn't expecting that
