

Jamie Meyer, It's All About Me

IT'S ALL ABOUT ME

(Elofsson/Robyn Carlsson)

F'rlag: BMG Music Publishing Scandinavia AB/Robyn Songs

Back me up cover me
Bless my soul set me free

I will smile so don't you cry
We both know the reasons why

I'm wide awake and I'm flying
don't bring me down bring me down

I's all about life
it's all about breathing
doing what's right
to be the one you're meant to be
It's all about trust
and what you belive in
Baby this time
it's all about me

Hands untied mind's made up
my feet are walking I can't stop

I was blind I was stuck
but now I'm loose wish me luck baby
I'm wide awake and I'm flying
don't bring me down bring me down

I's all about life
it's all about breathing
doing what's right
to be the one you're meant to be
It's all about trust
and what you belive in
Baby this time
it's all about me

How can I explain to you
this thing I'm going through
I can only keep my faith
and do what I belive is true
I will stay on track
I'm never looking back again
