

# Jamie O'Hara, See If I Care

I saw you walkin' down the street last night,  
I saw him walkin' by your side.  
I saw the way he stopped and held you tight,  
I saw the look in your eyes.  
Go on and tell him that you love him,  
Go on and show him he's the one.  
Go on and give him every sacred thing,  
You used to save for us.

See if I care,  
Look at the way you're tearin' me apart.  
Baby, see if I care,  
Look at the tears fallin' in this heart, baby.  
Go on, go on, go on,  
Go on, go on, go on,  
See if I care.

I still can hear the way you whisper,  
Softly in my ear.  
I lay awake and I remember,  
The way it felt to hold you near.  
Go on and run your fingers through his hair,  
Go on and lay by his side.  
Go on and wrap him in your dark surrender,  
And all your tender lies.

See if I care,  
Look at the way you're tearin' me apart.  
Baby, see if I care,  
Look at the tears fallin' in this heart, baby.  
Go on, go on, go on,  
Go on, go on, go on,  
See if I care.

Look at the way you're tearin' me apart.  
Baby, see if I care,  
Look at the tears fallin' in this heart, baby.  
Go on, go on, go on,  
Go on, go on, go on,  
Go on, go on, go on,  
See if I care.

See if I care.  
See if I care.  
See if I care.  
See if I care.  
See if I care.
