

Jamie O'Neal, I Love My Life

Her little blond hair's blowin', she's swingin' while her daddy's mowin'
The grass, and the dog needs a bath
But he's chasing the cat up a tree
I'm lookin' out the window, happy just watching my world go round
And I think to myself, how lucky can a girl be

I've got everything, more than I ever dreamed
I love my life
I thank God for all I have
And that I love this man
Who loves his wife
I love my life
I love my life

Twenty kisses goodnight, turn the little butterfly night light on,
'til the monster is gone and she's finally fallen asleep
We tiptoe downstairs, cuddle up and we kiss in the big chair
and I smile and you whisper, now it's just you and me

I've got everything, more than I ever dreamed
I love my life
I thank God for all I have
And that I love this man
Who loves his wife
I love my life
I love my life

Blue and pink in the nursery
Gold and silver anniversaries
Dancing in the living room
Our little girl, and me and you

I've got everything, more than I ever dreamed
I love my life
I thank God for all I have
And that I love this man
Who loves his wife
I love my life
I love my life
