

Jamie Shaw, From A Distance

From a distance
The world looks blue and green
And the snow capped mountains white
From a distance
The ocean meets the stream
And the eagle takes to flight

From a distance
There is harmony
And it echoes through the land
It's the voice of hope
It's the voice of peace
It's the voice of every man

From a distance
We all have enough
And no one is in need
And there are no guns, no bombs, no disease
No hungry mouths to feed

From a distance
We are instruments
Marching in a common band
Playing songs of hope
Playing songs of peace
Playing songs of every man

God is watching us
God is watching us
God is watching us
From a distance

From a distance
You look like my friend
Even though we are at war
From a distance
I can't comprehend
What all this war is for

From a distance
There is harmony
And it echoes through the land
It's the hope of hopes
It's the love of loves
It's the heart of every man
It's the hope of hopes
It's the love of loves
It's the song of every man

From a distance
