

# Jamie Shaw, From A Distance

From a distance  
The world looks blue and green  
And the snow capped mountains white  
From a distance  
The ocean meets the stream  
And the eagle takes to flight

From a distance  
There is harmony  
And it echoes through the land  
It's the voice of hope  
It's the voice of peace  
It's the voice of every man

From a distance  
We all have enough  
And no one is in need  
And there are no guns, no bombs, no disease  
No hungry mouths to feed

From a distance  
We are instruments  
Marching in a common band  
Playing songs of hope  
Playing songs of peace  
Playing songs of every man

God is watching us  
God is watching us  
God is watching us  
From a distance

From a distance  
You look like my friend  
Even though we are at war  
From a distance  
I can't comprehend  
What all this war is for

From a distance  
There is harmony  
And it echoes through the land  
It's the hope of hopes  
It's the love of loves  
It's the heart of every man  
It's the hope of hopes  
It's the love of loves  
It's the song of every man
