

# Jamiroquai, Getting Down

Were gettin down...  
Aw hit em' now  
Aw now, just gettin down  
Hey a just get down  
And, and just get down, and party  
I like the way you party, i like the way you party  
I like the way you move  
I like the way you groove  
And just glide, temptation  
Aint gut no frustration  
Coz were gettin down....

Now get that fuckin Groove  
Can ya get down  
Get on down, get on up  
Hey  
Were Gettin down...

Hey do you wanna get down hey
