

Jan Howard, He Called Me Baby

He called me baby baby all night long used to hold and kiss me till the dawn
Then one day I awoke and he was gone now there's no more baby baby all night long
He called me baby baby all night long kissed my tears away when things went wrong
What I'd give if he'd just come back home and call me baby baby all night long
[piano]
He called me baby baby all night long build me up so high and made me strong
Now each time in dreams just like a song I still hear baby baby all night long
