

Jan Howard, Ribbon Of Darkness

Ribbon of darkness over me since my true love walked out the door
Tears I never had before ribbon of darkness over me
Clouds are gathering o'er my head they chill the day and hide the sun
And shroud the night when day is done ribbon of darkness over me
Rain is falling on the meadow where once my love and I did lie
Now he's gone from the meadow my love goodbye
Ribbon of darkness over me where once the world was young as spring
Where clouds did bloom and birds would sing ribbon of darkness over me
[steel]
In this cold room lying don't want to see no one but you
Oh Lord I wish I could be dying to forget you
How I wish your heart could see my mind just takes the breaks o' all day
Come on back and take away ribbon of darkness over me
