

# Jan Howard, Satin Sheets

Satin sheets to lie on satin pillows to cry on and still you're not happy here with me  
Big long Cadillacs tailor makes upon your back and still you want me to set you free

We've been through thick and thin together braved the fair and stormy weather  
We've had all the hard times you and I

And now that I'm a big success you called today and you confussed  
And told me things that make me want to die  
You told me there's another man who can give more than I can  
And I've given everything that cash will buy

You can buy me a peaceful night with loving arms around me tight  
And you're too busy to notice the hurt in my eyes

Satin sheets to lie on...
