

Jan Howard, Time

Some people walk some people crawl some people don't even move at all
Some roads lead forward some roads lead back
Some roads are bathed in white some wrapped in fearful black
Time oh time where did you go time oh good good time where did you go

Some people never get some never give some people never die and some never
live
Some folks treat me mean some treat me kind
Most folks just go their way don't pay me any mind
Time oh time where did you go time oh good good time where did you go

Sometimes I'm satisfied sometimes I'm not
Sometimes my face is cold sometimes it's hot
Sunset I laugh sunrise I cry midnight I'm in between and wondering why
Time oh time where did you go time oh good good time where did you go
