

# Jana Kirschner, Sometimes

Sometimes I feel lonely lonely lonely  
Sometimes my heart speaks to me so slowly  
Sometimes I feel like a little child  
A broken rose for the Valentine  
Sometimes it hurts sometimes it's fine  
Sometimes

Sometimes oh, yeah everything is hard  
Everything is hard  
Sometimes

They always say  
Happiness will find you  
Must be two steps ahead  
If it's not right behind you

Your odds are low  
Expectations high  
I say, come on baby dont be so uptight!  
Sometimes you stumble  
Sometimes you're right  
Sometimes
