

Jana Kramer, Why Ya Wanna

out of all the places
in this little town
you had to come walkin' in here
and sit down

I am hidin and hopin'
my face ain't too red
since we've been over
I've been tryin' like crazy
to get you out of my head

so why ya wanna show up in a
old t-shirt that I love
so why ya gotta tell me that I am
lookin' good, don't know what
you were thinkin' you were doin'
movin' in for a hug
like you don't know I am comin' unglued
why ya wanna, why ya wanna
make me keep wantin' ya

I wish ya had on sunglasses
to cover up those blue eyes
I wish ya said something mean
made me glad that you said goodbye

why can't you look off somewhere
you catch me starin' at you
why can't you be coold like ant old
good ex would do

so why ya wanna show up in a
old t-shirt that I love
so why ya gotta tell me that I am
lookin' good, don't know what
you were thinkin' you were doin'
movin' in for a hug
like you don't know I am comin' unglued
why ya wanna, why ya wanna
make me keep wantin' ya
