

Jane's Addiction, I Would For You

I'm everybody's slave
I made you my slave
You said
This I do for you
If it would help
To give the world back
What it gave
Then I would
I would
I would
I would
I would for you
I would for you

You say my eyes
Are crazy eyes
Sometimes they are
And so are you
And if you wonder
What I would do
I would do
Anything
If I could
You know I would
I would
I would
I would for you
I would for you
I would for you
I would for you
I would for you
