

# Janelle Monae, Make Me Feel

baby, don't make me spell it out for you  
all of the feelings that I've got for you  
can't be explained  
but I can try for you  
baby, don't make me spell it out for you  
you keep on asking me the same questions  
why?  
and second guessing all my intentions  
should know by the way I see my complexion  
that you've got the answer to my confessions

it's like I'm powerful with a little bit of tender  
an emotional, sexual bender  
mess me up  
but no one does it better  
there's nothing better

that's just the way you make me feel  
that's just the way you make me feel  
So good  
so good  
so fucking real  
that's just the way you make me feel  
that's just the way you make me feel

you know I love it  
so please don't stop it  
you got me right here in your jean pocket  
laying your body on a shag carpet  
you know I love it  
so please don't stop it

it's like I'm powerful with a little bit of tender  
an emotional, sexual bender  
mess me up  
but no one does it better  
there's nothing better

that's just the way you make me feel  
that's just the way you make me feel  
So good  
so good  
so fucking real  
that's just the way you make me feel  
that's just the way you make me feel
