Janet, If It Takes All Night

I've got my eyes on you You're playin with peek-a-boo And it's so exciting There's such a chemistry between you and me So there's no use fighting Don't say, It's so good J Just give your heart away 'Cause I'll find the words to say... Chorus: If it takes all night If it takes all night, honey Gonna make you mine If it takes all night Gotta find a way To get inside your heart tonight I'll make the lovin' right If it takes all night I hear what people say Love's just a game you play For the competition Even some friends of mine Say that I'm wastin' time But my heart won't listen I know they want you too They say I won't get through But it will be me and you Repeat Chorus I know my lover when I see him in disguise And I won't give up 'til I see that fire in your eyes Repeat Chorus
