

Janet Jackson, Because Of Love

You got me singin...

[CHORUS:]

Because of love
I know you better
Because of love
We are together
Because of love
You have my heart
Because of love
We'll never part

When I first met you
I knew that
life would never be the same

And I knew
That you felt it too
Never feel alone again boy
Cause your love makes me feel so secure
You got me singin

[CHORUS (2x)]

I don't care what people say
You're the one that brings me so much joy
When I look
At your smiling eyes my heart wants to dance boy

There's only you
On my mind
and
I never want to leave your side
It feels right
So let's stay together
Never feel alone again boy
Cause your love makes me feel so secure
You got me singin

[CHORUS]

It's cause of love
We've shared great memories
The way you make me feel (weee oooh)
It's cause of love
I feel so high
I don't need nobody else
Because of love
Because of love...

[CHORUS (2x)]
