

# Janet Jackson, Days Go By

Cuz seconds feel like hours when you're gone, from me  
Baby even though  
You were just by my side  
I'm so missin' you (yeah, yeah)  
And I know that I have ya to myself  
When you come home

Chorus

And it seems like days go by  
It feels like I'm so lost without you  
And I don't really know what to do  
The hands of time  
Won't move when I'm away from you  
And I don't really know what to do  
I try to wait patiently  
But everything is taking way too long  
And I, I just wanna be with you  
I'm trying to see it through

It's not fair

Don't wanna be alone another day

It's just too miserable

It's true

And baby I have fluttered

When you're far away

Time stands still

And it seems like days go by  
It feels like I'm so lost without you  
And I don't really know what to do  
The hands of time  
Won't move when I'm away from you  
And I don't really know what to do  
And it seems like days go by  
It feels like I'm so lost without you  
And I don't really know what to do  
The hands of time  
Won't move when I'm away from you  
And I don't really know what to do

(Musical break and vocalizing)

And it seems like days go by  
It feels like I'm so lost without you  
And I don't really know what to do  
The hands of time

Won't move when I'm away from you  
And I don't really know what to do  
And it seems like days go by  
It feels like I'm so lost without you  
And I don't really know what to do  
The hands of time

Won't move when I'm away from you  
And I don't really know what to do
