

# Janet Jackson, I Get So Lonely

I get so lonely  
Can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely  
Can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but  
Sittin' here with my tears, all alone with my fears  
I'm wonderin' if I have to do without you  
But there's no reason why I  
Fell asleep late last night cryin' like a newborn child  
Holdin' myself close, pretendin' my arms are yours  
I want no one but you  
I get so lonely  
Can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I still remember to the day  
In fact it was a 3rd Monday  
You came along to be the one for me  
Now I'm alone  
Sittin' here by the phone  
Call and say that you're okay  
So that I'll have the chance to beg you to stay  
I want no one but you  
I get so lonely  
I can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely (Every time I see your face, baby)  
Can't let just anybody hold me (Every time I hear your name)  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely (Every time I see your face, baby, ooh)  
Can't let just anybody hold me (Every time I hear your name)  
You are the one that lives in me, baby  
Want no one but you  
Gonna break it down, break it down, break it down  
Gonna break it down, break it down, break it down  
Oh oh  
You know that I know that I get so lonely thinkin' of you, ooh, hoo  
No, no  
I get so lonely (I get lonely when I hear your name)  
Can't let just anybody hold me (I get lonely when I see your face)  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely  
Can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely (I get lonely when I hear your name)  
Can't let just anybody hold me (I get lonely when I see your face)  
You are the one that lives in me, babe, oh  
I don't want no one but you  
I get so lonely (Every time I hear your name)  
Can't let just anybody hold me (Every time I see your face)  
You are the one that lives in me, my dear  
Want no one but you
