

# Janet Jackson, I Get So Lonely (Remix)

Yea  
I get so lonely  
Without you  
Janet & Blackstreet  
Chorus:  
Ohhh  
I get so lonely (so lonely)  
Can't let  
Just anybody hold me  
You are the one  
That lives in me my dear (you are the one)  
Want no one but you  
(repeat 1X)  
Janet:  
Sittin' here with my tears  
All alone with my fears  
I'm wondering if  
I have to do withoutcha  
But there's no reason why  
I feel asleep late last night  
Cryin' like a newborn child  
Holdin' myself close  
Pretendin' my arms are yours  
I want no one but you  
(Chorus)  
Blackstreet:  
I still remember to the day  
In fact it was a 3rd Monday  
You came along  
To be the one for me  
And now I'm so all alone  
I'm sittin' here by the phone (the phone)  
Called that say that your ok  
So that I have  
The chance to beg you to stay  
I want no one but you  
(Chorus)  
(I get so lonely)  
Everytime I see your face baby  
(Can't let)  
Everytime I hear your name  
(Just anybody hold me)  
Hard to believe that you and me  
(You are the one)  
No longer  
(That lives in me my dear)  
I want no one but you  
(repeat 1X)  
Break it down  
Break it down  
Janet & Blackstreet:  
Gonna break it down  
Break it down  
Break it down  
(repeat 1 X)  
You know  
(I know)  
That I know  
That I get so lonely  
Thinking of you  
(Chorus until fades-out)
