

# Janet Jackson, Like You Don't Love Me

I saw your manhood rising  
Cause you were fantasizing  
I guess that model in the lingerie got you excited  
That night crawled into bed  
Wearing that same teddy bear  
You only said I love you  
Kissed me then rolled over and slept

[Hook 1:]  
Damn is that all I get from you  
'Bout to give me an attitude  
You need to make love to me  
Like you don't love me then

Don't have to be gentle tonight  
Just an animal tonight  
You need to make love to me  
Like you don't love me

[Hook 2:]  
Just do me, baby  
Come on an drive me crazy  
Act like I'm not your lady  
Do me like you wanna do them other girls

Do me, baby  
Come on an drive me crazy  
Act like I'm not your lady  
Do me like you wanna do them other girls

Why you go tellin' your boys  
How you been breaking me off  
Must be somebody else who's back you broke  
Cause I didn't get none

You're up at 3 in the morn  
Watchin' that triple x porn  
But you're so tired when you make love to me  
What did you learn?

[Hook 1]  
[Hook 2]

Do do do do do do do do do do  
Do do do do do do  
Do me, baby  
Do me, baby  
That's right, come on  
Do it like this baby

[Hook 2]
