

# Janet Jackson, Strawberry Bounce

La-la-la-la  
La-la-la-la [repeat]  
I like to make it  
You know I'll make it  
(Now can you take it)

Ooh baby  
Let me be your playground  
Push it out and catch it on the rebound  
Turn it out swinging from this pole  
I'mma make you  
Lose control

Gyrate then spin it like a yo-yo  
Slap the back & jiggle it like jell-o  
Honey if you came for a show  
I'mma make you  
Lose control

La-la-la-la  
La-la-la-la [repeat]  
Up and down baby  
You know I like to make it  
(Now can you take it)

Bump the beat  
Just watch the way I pump it  
The way I work it gonna keep you cumin'  
Do a dance that's so sexual  
I'mma make you  
Lose control

Don't trip  
You know you wanna watch this  
I'm a pro you won't be disappointed  
Gonna leave you beggin' for more  
I'mma make you  
Lose control

La-la-la-la  
La-la-la-la [repeat]  
I like to make it  
U know I'll make it  
(Now can you take it)  
Lose control

La-la-la-la  
La-la-la-la [repeat]  
Up & down baby  
You know I like to make it  
I like to make it  
Lose control

[Bridge]

Ew wee baby  
My lips as sweet as honey  
When I put 'em in your face  
Gonna make you spend ya' money  
Uh-huh  
Come on or you're gonna miss it  
Ring ring don't you wanna kiss it

Watchin' me

Do a dance  
Makin' you so horny  
If you want a little taste  
Gotta show me how much you want

I'm bout to  
Pop it  
Bounce, Bounce  
Clap, Clap  
You like dat?!!

I did a tease to bring you to yo' knees baby  
Broke you down  
Made you feel sleezy  
Then you said...  
"Fine muthafucka, I like it"

I did a tease  
To bring you to yo' knees baby  
Now you know that pimpin' ain't easy  
Then you said  
"Fine muthafucka, I like it
