

Janet Jackson, The 1 (feat. Missy Elliott)

Missy Elliot:

Tell me how long is it boo?

Seven inches, yup that'll do! (C'mon)

Want another lover not another lover (lover)

Cause you the type of brother I get freaky undercover (yeah)

Let me be the one for ya playa

Let's see what's behind them gucci underwears

What I gotta do baby what I gotta say? (Say)

To the bedroom okay, kay, kay! (Okay!)

Janet:

Tell me what I gotta say?

Tell me what I gotta do?

Cuz I'm about to make a move

Cuz baby I just want to be the one...

Tell me how you want it babe

Maybe we could spend the day there

Let me know what's the place

Baby I just want to be the one...

I don't need another

I could spend my life

Being your lover

Think about it take some time

Put your eyes together

We can make this thing right

Cuz I don't want no other

I just wanna be the one

Really wanna uh

Really wanna uh uh

Really wanna uh

Really wanna uh uh

Really wanna uh

Really wanna uh

Baby I just wanna be the one for you

(Repeat)

Let me know what you're missing boy

So I can be the one there for you

Talkin' bout being all you want

Baby I just wanna be the one

After you meet me stipulations

We'll have a mystic investigation

Put the list down no replacing ya

Cuz baby I just wanna be the one

I don't need another

I could spend my life

Being your lover

Think about it take some time

Put your eyes together

We can make this thing right

Cuz I don't want no other

I just wanna be the one

Really wanna uh

Really wanna uh uh

Really wanna uh

Really wanna uh uh

Really wanna uh

Really wanna uh

Baby I just wanna be the one for you

(Repeat)

Missy Elliot:

Baby I'll do any little thing for you

Tell your ex-girlfriend I say bye boo boo (C'mon)

Letcha hit the poo poo do what it do

Them looky got them boys goin`goin`cuckoo
