Missy Elliot:

Tell me how long is it boo?  
Seven inches, yup that'll do! (C'mon)  
Want another lover not another lover (lover)  
Cause you the type of brother I get freaky undercover (yeah)  
Let me be the one for ya playa  
Let's see what's behind them gucci underwears  
What I gotta do baby what I gotta say? (Say)  
To the bedroom okay, kay, kay! (Okay!)

Janet:

Tell me what I gotta say?  
Tell me what I gotta do?  
Cuz I'm about to make a move  
Cuz baby I just want to be the one...  
Tell me how you want it babe  
Maybe we could spend the day there  
Let me know what's the place  
Baby I just want to be the one...  
I don't need another  
I could spend my life  
Being your lover  
Think about it take some time  
Put your eyes together  
We can make this thing right  
Cuz I don't want no other  
I just wanna be the one  
Really wanna uh  
Really wanna uh uh  
Really wanna uh  
Really wanna uh uh  
Really wanna uh  
Really wanna uh  
Baby I just wanna be the one for you  
(Repeat)

Let me know what you're missing boy  
So I can be the one there for you  
Talkin' bout being all you want  
Baby I just wanna be the one

We'll have a mystic investigation  
Put the list down no replacing ya  
Cuz baby I just wanna be the one  
I don't need another  
I could spend my life  
Being your lover  
Think about it take some time  
Put your eyes together  
We can make this thing right  
Cuz I don't want no other  
I just wanna be the one  
Really wanna uh  
Really wanna uh uh  
Really wanna uh  
Really wanna uh uh  
Really wanna uh  
Really wanna uh  
Baby I just wanna be the one for you
