

# Janet, Love Will Never Do (Without You)

Our friends think we're opposites  
Falling in and out of love  
They all said we'd never last  
Still we manage to stay together  
There's no easy explanation for it  
But whenever there's a problem  
We always work it out somehow  
Work it out somehow

Chorus:  
They said it wouldn't last  
We had to prove them wrong  
'cause I've learned in the past  
That love will never do without you

Other guys have tried before  
To replace you as my lover  
Never did I have a doubt  
Boy it's you I can't do without  
I feel better when I have you near me  
'cause no other love around  
Has quite the same ooh ooh  
Like you do do do do babe

Repeat Chorus
