

Janet, What About

We walked along the beach
What a moon lit night
He held my hands in his
He kissed me he said
I wanna spend my life with you
I want you for my wife
Just then I thought

Chorus:

What about the times you lied to me
What about the times you said no one would want me
What about all the shit you've done to me

What about that

What about that

What about the times you yelled at me

What about the times I cried

You wouldn't even hold me

What about those things

What about that

What about that

I took a pause

And then a deep sigh

He looked right into my eyes

As he said

I know I didn't say somethin' wrong

I didn't have the courage to say

But then I thought

Repeat Chorus

Oh

Chorus 2:

What about the times you hit my face

What about the times you kept on when I said

No more please

What about those things

What about that

What about that oh

What about the times you shamed me

What about the times when you said you didn't fuck

her

She only gave you head

What about that

What about that

Don't wanna live my life in misery

Don't tell me you did it 'cause you love me

I don't believe

I'm sick and tired

Your deceptive games

Wonder where

You have been

I can't live life wondering

My heart was poundin'

But the time had come

To stop lettin' my whisperin' heart control me

And tellin' my screamin' mind what to do

I looked him straight in the eye

And then I said

Repeat Chorus

Repeat Chorus 2

Repeat Chorus

Repeat Chorus 2
